## Four Fabulous Years

As Seniors we can say that we have had four fabulous years at MHS and we would like to offer our best wishes to each class for four years of their own. As freshmen

we began building the foundation of the 1961 football team which became runner-up in the Tri-County league in 1961.

We really got into the swing of things as sophomores with one of the best class parties we ever had. We also sponsored the first annual Sophomore - Faculty Basketball game with proceeds going to the American Field Service Fund.

Receiving our class rings was one of the biggest events of our Junior year. We were also quite proud of our Prom, **Oriental Paradise**.

Besides sponsoring the annual Christmas Dance, as Seniors one of our biggest responsibilities was the publication of this Crescent. Finally, along with much studying and even more fun, we reached the biggest event of all—graduation.

## Sing Along

There are two divisions of the girls' glee club; the regular and the select. The regular girls' glee club is composed of any girl who joins the regular chorus period or those who practice with Mr. Welch during other periods of the day. These girls took part in the Thanksgiving, Christmas, and Easter assemblies and sang in the massed chorus for the Stark County Music Festival, February 22. For the Christmas and Easter assemblies, those who were not in the select group sang a melodious descant from the balcony.

The select group is composed of the girls in Robed Choir plus any other which the director selects. This group participated in the District VIII Band and Chorus contest at Canton McKinley High School on March 31, where it received a rating of Excellent. This group also sang for the Easter assembly, the vocal festival, April 18, and for Commencement, June 1. Though small in number, the voices of these girls blend harmoniously in song.

## From Concerts . . . . .

When the joyous shouts and triumphant music of the last victorious football game faded from the deserted football field, the marching band began converting itself into a melodious Concert Band.

The Concert Band made its first public appearance at the annual Christmas program in which the chorus also took part. The 105-piece band participated in the Stark County Music Festival on February 22, at Canton's Memorial Auditorium. 1400 other musicians and 900 vocalists also took part. Dr. Kenneth Snapp, professor of instrumental music at Baldwin-Wallace College at Berea, Ohio, conducted both the Select Band and

Mass Band. The band members who were chosen to represent the Minerva High School Band in the 100-piece Select Band were Carol Burrows, Larry Clapper, Lowell LaFever, and Ray Morgenstern.

The Concert Band presented its annual winter concert on February 20. Special recognition was given to several of the solos and ensembles. This concert included music by the Contest Band, Stage Band, and the Concert Band. Such numbers as "Introduction and Invention," required district contest number, "Jersey Bounce," and "Parade of the Charioteers" from the motion picture Ben Hur were played by these three organizations.

## ..... to Contests

Solos and ensembles were only a small, but important, portion of the hard work in which the members were engaged. From County to State contest, these individuals and groups won great acclaim for Minerva High School.

The Minerva High School Band this year proudly boasted its first "superior" rating in the school's history at the District VIII contest at McKinley High School, March 31. Loud, happy cheers of the surprised members rang out through the halls, and tears of joy flowed from the eyes of many of the happy group.

The State Contest at Lima, Ohio, was

the next step. Early on the morning of April 28, two full buses left the high school carrying the band members to the contest. The music for the Contest Band was very difficult. It included "Foundation March," "Overture in Classical Style," "Introduction and Invention", required number for district, and "Psyche and Eros", required number for state. Each band member worked hard to prepare his part to the best of his ability. Many evening practices of the entire contest band produced the "superior" harmony which won significant acclaim for this honored group.

#### MAJORETTES

Anna Mae Hetrick, Lynette Ward, Shari Scott, Sandy Hardgrove, Mary Jane Blanc, Beth Cassidy, Barbara Hoopes.

## High Steppin' Seven

The high strutting majorettes added spice and beauty to the 1961-1962 marching band. Their bright smiles conveyed the mood of the whole band to the audience.

The dance steps and spectacular twirling of these talented girls were the highlights of the band shows. Not only did these girls dance to "My Bonnie," but also to "Skip to My Lou"—cha cha and folk rhythms. They twirled fire batons just as well as they twirled their regular batons. Two batons were nothing to them.

The line of majorettes was very neat and precise. The right guide, Beth Cassidy, kept the girls in line. The remaining girls were Mary Jane Blanc, Anna Mae Hetrick, Sandy Hardgrove, Shari Scott, and Lynette Ward. The pace-setting head majorette, Barbara Hoopes, led and directed the line in a fine season. Barb's pleasing personality shone through her sparkling eyes and cheerful smile as she strutted in front of the majorettes and band. She was the leader.

## Across the Field . . . . . With Pep

The "Theme from Exodus" was the fanfare which introduced the 1961-62 Marching Band at the Stark County Fair and all the football games of the season. The band was composed of 87 members plus 11 substitutes. Precision marching was the main demonstration of the band. The marching consisted of backward and diagonal drill formations. The time spent in obtaining the precision of

these drills took many long hours of conscientious practice.

For the fourth consecutive year, the band was invited to participate in the Fifth Annual Massillon Band Show. The traditional formation of the "M" climaxed each show.

The seniors celebrated their last home football game on November 4, when they were given recognition by the band.

Coached by Charles V. Carlson, debate adviser, Minerva High School's National Forensic League chapter talked its way through the most successful season in its five-year history.

The purpose of the NFL is to train leaders for America's future. The program develops the leadership potential by training students for success in competitive debate, extemporaneous speaking, oratory, and legislative assemblies. Not only speaking competence is developed, but creative thinking and interest in public affairs are stimulated.

During the twenty-week season, which included both debate and individual events tournaments, ten freshmen earned membership in the NFL. As a public service, the NFL presented programs for the various organizations.

This year, the local chapter conferred its first honorary degree on Rev. F. L. Trubee for his service to the chapter.

The educational value of Minerva's fine speech program far outweighs the seeming importance of winning. Over the years, trophies are forgotten; but the education gained from public speaking is not lost.

## **It's Debatable**

Minerva's sophomore-dominated debate team showed its potential early in the season by capturing third place with an 8 win, 4 loss record at the Minerva-Kiwanis Debate Tournament.

The following week, Minerva's "A" and "B" teams traveled to Jamestown, New York where they compiled an 8 win, 8 loss record.

On February 3, Minerva's "A" division team of Linda Morrow, Sherry Price, Mark Lutz, and Eldon Trubee ran up a 4 win, 2 loss record at Heidelberg College. The same day at Glenwood, Minerva's "B" team won second place in "A" division.

In the All-Events Stark County Tournament, Paige Draher qualified for state competition by winning first place in humorous interpretation. In debate, Minerva captured third place.

The NFL District Tournament saw Min-

erva fail to put anyone in state competition.

Next year will see much seasoned experience returning.

Early Saturday morning, September 23, the Y-Teens began their successful year by selling Forget-Me-Nots for the Disabled American Veterans. Sherry Dieringer sold the most.

On September 25, a mixer was held in the gym, in order that the girls might get acquainted. The officers outlined the program for the year.

At the Recognition Ceremonial, October 10, 121 girls were inducted into the club and were presented carnations by their committee chairmen.

October 18, the Y-Teens held a swimming party at the YWCA in Canton.

November 18, "23 Skidoo" was part of the Roaring 20's dance held in the auditorium. During November and December the girls sold party mix nuts. Trudy Culp sold the most—84 cans.

A bake sale was held in January at the Minerva Banking Company.

There was a new twist at the annual formal, January 27. It was the "Peppermint Twist." Winnie Wilson and her escort won the contest at intermission. The Carrollton Swing Band furnished the music, and the Future Homemakers served pink punch and beautifully decorated cookies in a candlelit setting.

The Y-Teens had charge of the Easter Assembly. Anna Ossler conducted the worship service, which included the Seven Last Words of Christ.

In April, the new officers were elected for the following year. They are president, Sherilyn Strachan; vice president, Winnie Wilson; secretary, Jill Henry; treasurer, Ellen Donaldson.

Under the capable leadership of Mr. Aeschbacher, the Hi-Y this year was organized with forty-three members. The tapping process was again used to enlist new members. They were informally initiated by the incumbent members.

Money was raised through dues and the selling of programs at basketball games. The members of Hi-Y enjoyed two swimming parties at the YMCA in Canton and viewed two films, "Communism in Action" and "Mechanized Death."

Jim Unkefer and Bob Wunderle were elected as delegates to the Eleventh Annual Youth-in-Government program held in Columbus April 27 through April 29. Both were members of the House of Repre-

sentatives. They introduced and succeeded in passing a bill concerning the issuance of certificates of general education.

Jim Unkefer was elected president of the Stark County Hi-Y and Tri-Hi-Y Council. He presided over meetings held at the Canton YMCA every month.

Minerva's Hi-Y basketball team captured the Stark County Hi-Y championship. They received a trophy for this honor. Members of the team include Dave Finefrock, Dave Garner, Dave Dourm, Dave Winrod, Spike Haynam, Dick Mount, Don Allen, and John Richardson.

They defeated East Canton 105 to 23, Canton South 33 to 32, and Sandy Valley 57-13.

## Today's students . . . tomorrow's leaders

The Student Council has been performing deeds which are very helpful to the students this year. Remember those old fire exit signs? The Student Council has replaced these with attractive and useful signs, individually made for each room. They indicate the room's number and the proper methods of exit in the case of fire. This year the Student Council participated in the nationwide recognition of "Who's Who Among Student Leaders in High Schools of America." The five Minerva nominees were recommended by a com-

mittee of teachers and were all accepted by the national organization. Chosen were Nancy Unkefer, Eldon Trubee, Beth Cassidy, Ellen Jackson, and Gwendolyn Hilliard.

The Student Council also helps freshmen by conducting a freshman orientation day about one week before the opening of school in September. School officials provide the group with information useful to freshmen, and senior student council members conduct them on a tour of the building.

## ... tomorrow's teachers

The Minerva Chapter of the Future Teachers of America is composed of thirty-eight juniors and seniors who are interested in the teaching profession. These members are given practical experience in this field by grading papers, substitute teaching, typing, or by working with various community organizations such as the Boy Scouts or church programs. For this experience the members are given service points—one point for each forty-minute period. Thirty of these points entitle a member to wear the silver FTA pin. A colorful emblem is presented to

those members who have fifty points.

This year some of the members had an opportunity to teach at the grade schools in this area. Many attended the convocation of FTA chapters of Stark County at Jesse H. Mason School, March 3. Kenneth Kate, president of Canton Professional Educators' Association, was the guest speaker.

At the end of the year a gift is presented to the Future Teacher of the year—the senior with the most points and the approval of other members. This year the honor will go to Gwendolyn Hilliard.

"Fresh off a turkey farm and in college and in a pad!" This is the situation in which Anastasia Schultz finds herself at the beginning of her freshman year at Bull University. As she fits herself into her new life she finds herself pursued by three boys: Alister Katzenmier, big man on campus; Gardener Shockett, beatnik and author of "way out" poetry; and Pierre Seborin, debonaire French exchange student.

Extra curricular activities mount, and Anastasia becomes more and more involved. She is the "hostess with the mostess" at her weekly parties, the star reporter for the campus paper, and the star of Gardener's new play, "The Rise of Everyman". Things finally come to a head when the co-star, Pierre, is de-pantsed accidentally during the performance.

## "All Shook Up" — Wild !!

The faculty of Bull U. threatens expulsion of those involved in the play scandal. The case is not helped when Professor Grudge, the Dracula of the English department, forces Anastasia to lead a student uprising to abolish scribble paper. However, everything is straightened out at the expulsion hearing and all ends happily.

## Esoteric ! !

Due to close scheduling, a maximum amount of rehearsal was needed in a minimum amount of time. Mr. Carlson's other obligations often required his absence from rehearsals. It was evident that an assistant director was needed.

Mrs. Shaffer took the job of running things when the chief was absent and she aided in other aspects of production.

## STAGE CREW

The stage crew consisting of Bob Wunderle, Dan Crawford, and Frank Petros, played an important part in "All Shook Up". Because there was very little scenery, the lighting effects were extremely important and the job done by these boys helped make the play a success.

## No Noose is good Noose

This year the Junior Class presented a Hallowe'en mystery. It takes place in an old haunted house called "Hangman's Noose". The owner, Caroline Keating, is a novelist. She is trying to find her brother's killer. Her nephew, Gareth Keating, has been accused of the murder by everyone except his lover, Polly Moore. During the three acts the lawyer, Mr. Keep and the maid, Martha, are both killed. Old Aunt Lorna has hysterics while her niece, Gail Keating, practices being beautiful. Ella, the young school teacher, provided the audience with comedy and kept everyone in stitches.

In the third and final act, Polly discovered who the murderer was, but Phil Lassiter, Gareth, and Caroline saved her from him. Thus, tall, dark Henry Gordon is revealed as the murderer.

## ... The Foundation of Better Living

"Getting to Know You" was chosen by the Minerva Chapter Future Homemakers of America as its theme for the 1961-62 school year.

Donna Stoffer, Mary Ellen Norton, Roberta VanPelt, Linda Lowmiller, and Janice Snyder presented two demonstrations at the State Fair in August.

The girls enjoyed the Get-Acquainted Party in September, and the Formal Initiation ceremony for the new members during October. The first "Daddy-Date Nite" was held in November. During December the girls went caroling, and a party followed at Carol Curry's. January came, and the girls provided refreshments by candlelight for the annual Y-Teen-FHA

Formal, "The Peppermint Twist." National FHA Week and the Eight Grade Tea were the activities for April. The girls honored their mothers at the Mother-Daughter Banquet in May, and the installation of new officers and a recognition ceremony for the degrees followed.

The club's activities were financed by selling candy apples.

Donna Stoffer represented the club as the county treasurer. The Minerva and Leetonia FHA Chapters worked together to compile a scrapbook for the State Project. On April 13 and 14, Mary Ellen, Linda Lowmiller, Roberta VanPelt, and Georgia Perrine went to the State Convention in Columbus to receive the Award of Merit which was given by the State FHA.

"Life is Just a Bowl of Cherries" was the theme used for the Teachers' Luncheon held during February.

The food was prepared by FHA members who acted as hostesses. The teachers were honored later with a "Teacher Break" on the last day of school.

## FFA . . . Learning . . .

The Future Farmers of America have been quite busy this year by "Learning to do, Doing to learn, Learning to live, Living to serve."

The school year got off to a good start when the boys exhibited their shop projects at the Stark County Fair in August. Some fund raising projects were selling fire extinguishers and seat covers for tractors.

The members passed out safety stickers which were placed on corn pickers by neighboring farmers. They also planted trees for a reforestation project.

The social activities of this group included

a skating party with the FHA and a basketball team.

We are quite proud of our parliamentary procedure team this year. It not only received the gold award for the fifteenth year, but won first place in the district, after competing against eight other schools. Other schools may receive the gold award also, but only one school may be first in the district.

The members of this outstanding team are: Sam Figley, Howard Snyder, Jack Slider, Jim Irwin, Ted Gram, Ed Gram, Jerry Haynam, Tom Hudy, Clinton Davis, Sandy Sanor, Mike McNutt, and Toby Lyons.

## Pep . . . Sportsmanship . . .

GAA is for the sports-minded girl, who not only likes to watch sports but also to participate. This year the girls did little gym work. They mainly bowled. The bowling average of every girl increased the more she played.

Sandra Paxton, is the president. Russlyn Shugerts, secretary; Jo McNutt, the sports manager; Miss Gloria Altomare, adviser.

The Pep Club is an organization of students whose purpose is to create and uphold school spirit. During the football season the club held pep rallies at the football field Thursday nights, where they learned new cheers.

The club is advised by Miss Gloria Altomare and led by Paige Draher, president; Dallas Lutz, co-president; Sherry Severn, secretary; and Vicki Harsh, treasurer.

## National Honor Society

The program of the Minerva Chapter of the National Honor Society included two noteworthy projects.

After replenishing the treasury with the proceeds from the shoe-shining service furnished by the newest initiates, the honor group gave a party in March for all students who made the Honor Roll at any time during the first semester.

Honor Society members rendered service to their school and fellow students by cleaning the First Aid room.

The organization was composed of 14 members—eight seniors and six juniors. The second semester officers were Gloria Chambers, president; Richard Moore, vice-president; Judy Hein secretary; Beth Cassidy, treasurer. Miss Wachtel is the adviser.

The National Honor Society began the past year with four members who were initiated in their junior year. They were Beth Cassidy, first semester president; Nancy Unkefer, vice-president; Ellen Jackson, secretary; and Gwendolyn Hilliard, treasurer.

This group conducted the formal initiation ceremony of the seniors who were admitted during the first semester.

## CRESCENT EDITORS

The editors of this year's Crescent, Beth Cassidy and Nancy Unkefer, worked many long, hard hours on the book. Their duties included drawing layouts, writing and reading copy, and supervising the work of the other Crescent staff members.

## Crescent . . .

## SPORTS EDITORS

Bob Thompson, Richard Moore, and Keith Miller were the industrious sports editors of the 1962 Crescent. Their duty was to combine pictures, copy, and captions into an impressive layout. This they did successfully with the entire sports section.

## Miss Hazen, Adviser

The Crescent staff of 1962 wishes to extend its most sincere thanks to Miss Frances Hazen for all the effort she has expended in helping us prepare our annual for this year. She has not only donated generously of her precious time, but when occasion demanded, her house as well.

Through her patient guiding, we feel certain that this book is going to be a success.

## They said it wouldn't be done . . .

The first formal meeting of the 1961-62 Crescent staff took place in August, at a ham supper on the adviser's lawn.

Weekly meetings were held for a time at members' homes to take care of such important items as assigning the sale of advertising to help cover expenses, identifying pictures of underclassmen, selecting the theme and cover, and assigning copy for the academic and extra-curricular sections.

In November, a chili supper was held by the staff in the high school cafeteria, in order to raise money. A good crowd of satisfied "customers" helped the cause.

Win Kroeber, our student photographer, took pictures all year, starting with freshman orientation, and ending with very informal shots of the staff "at work."

Though the Crescent meetings had to fight conflicts with debate, contest band, play rehearsals and May Day practice, the work still went on, day and night. Even though copy writing and picture identifying were done by the staff members to the tunes of Dave Brubeck, the tedious work went on far into the night. Occasionally meetings lasted until midnight. At these copy writing meetings, there were usually from three to eleven typewriters in use. Anyone who wasn't writing was copy reading.

At long last copy was finished, advertising sold, captions and "idents" complete, plates back from the engravers, and the weary editors laid the "masterpiece" on the printer's desk and waited for "proof" while they organized plans for distribution of the finished publication.

A heavy downpour marred the beauty of Homecoming Ceremonies at the game with Carrollton, October 13. Despite the deluge, more than 2500 spectators watch-

ed Captain Dave Dourm crown Bonnie Tomlinson, 1961 Football Queen, chosen by the players.

Court attendants were chosen by their

respective classes. They are senior, Bonnie George; junior, Doris Clapper; sophomore, Kristine Knudsen; freshman, Sue Stafford.

Escorts for the court were football players, Dave Finefrock, Dick Mount, Don Moore, and Larry Lawther.

The queen was presented a beautiful bouquet of white chrysanthemums and the court each received a lovely large mum. The girls were seated on a platform located on the sidelines.

The band played the traditional "Sweetheart of Sigma Chi". It was the 17th annual high school program.

C. V. Carlson, master of ceremonies, announced the names of the 16 former homecoming queens.

The Junior Class held a Homecoming Dance honoring the Queen and her Court in the high school auditorium Saturday night.

Before the largest crowd of the season, the Lions beat the Carrollton Warriors 22-6, for the Lions' sixth straight victory.

#### BAND COURT

Bill Marks, Nancy Unkefer, David Garner, Barbara Hoopes, Ray Morgenstern, Carol Burrows, Bob Hunter, Sonja Czekanski, Doug Waefler, Sue Stafford.

## Band Royalty . . . Saluted With A Song

One of the most anticipated activities of the band season was the annual banquet. This was held May 1, in the high school cafeteria. The band mothers prepared and served this very delicious meal.

After the banquet, the senior band members were recognized and given their band pins. Mr. Lamb spoke briefly about the success of the band.

Guest speaker for the evening was Jerd Bayless, band director at Lincoln High School in Canton, Ohio.

The climax of this enjoyable evening was the crowning of the band king and queen. Elected by secret ballot of band members were Bill Marks, king; Nancy Unkefer, queen; Dave Garner and Barbara Hoopes, senior attendants; Ray Morgenstern and Carol Burrows, junior attendants; Bob Hunter and Sonja Czekanski, sophomore attendants; Doug Waefler and Sue Stafford, freshman attendants.

This event seemed to add the finishing touch to a very successful season for one of the best bands in the school's history.

## May Day '62

The curtain raised and the footlights shone featuring a "Vaudeville" theme on May 5 in the Minerva High School auditorium honoring Queen Nancy Niuman and her Court.

The first to take the spotlight was the crowning of the Queen by Goddess of Minerva, Bonnie George.

Memories of an era gone by were brought back as the old tune "Grand Old Flag," as a salute to George M. Cohan, opened the show. Other old tunes such as "By the Light of the Silvery Moon" and "Me and My Shadow" were danced to the soft shoe.

The boys' quartette entertained by singing "Coney Island Baby" and "Strolling Through the Park."

Al Jolson and Sophie Tucker, famous vaudeville entertainers, were brought back in an attempt to recapture the atmosphere of the vaudeville stage.

To climax the program was the traditional May Pole Dance performed by members of the Senior class.

The Queen and Court were honored at a May Day dance held that evening in the high school auditorium.

All seniors received All Tri-County honors. Dourm, Wunderle, Finefrock, and Bingham received first team berths. Nigro was on the second team, and Lyons and Marriener received honorable mention.

Captain Dourm was named on the All-Ohio third team, All-County and All-Area first teams. Bingham received All-County second team and All-Area first team berths. Wunderle earned All-County honorable mention and All-Area first team.

## Lions Provide Exciting Season . . .

The Minerva Lions provided many moments of exciting basketball throughout the entire season even though they finished with only a 9-11 record. Competition was stiff, and the Lions lost several games by small margins.

The Lions did defeat their traditional rivals, the Louisville Leopards, in both their contests. The Lions showed a flash of strength as they defeated the Marlinton Dukes before losing to the McKinley Bulldogs in the Canton Sectional tournament. At the conclusion of the season, Gary Nigro, left forward, was honored with a second team All Tri-County berth. Bob Wunderle and Larry Simms received honorable mention.

Trophies were given at the All-Sports banquet to Gary Nigro, for the best foul shooting percentage; Bob Wunderle, for the best field goal shooting percentage; and Larry Simms, for the most improved player.

The Cubs participated in the Kiwanis Invitational tournament played at State Street Junior High in Alliance. The freshmen defeated the Salem Quakers, 63-39, and downed the Marlinton Dukes, 64-24. They lost the championship final to Hamilton Taft, 39-38.

## Team Works Hard . . . Plays Hard

Last year's baseball squad was hampered by unfavorable weather conditions. In the few games played last season, the Lions accumulated a 4-3 record.

A large number of boys turned out for spring practice this year, and Coach Marcinkowey has fine potential from which to choose his team. This year's team has fine pitching and a hustling infield which should not be hampered by the lack of replacements.

The line-up includes Dave Dourm, Gary Nigro, Frank Haynam, Willie Bingham, Jim Finefrock, Jim Smith, Dave Finefrock, Larry Donahue, and Denny Clapper.

The team competed in the Stark County Sectional Tournament held at Canton. The Lions beat Canton Lincoln, 4-2, before being eliminated by Canton McKinley, 9-6.

This year's team has enjoyed one of its finest records in recent years. Their dual meet record is 7 wins and no losses. The thinclads defeated Sandy Valley, Malvern, United Local, Perry, Malvern-United, West Branch, and Beaver Local.

Outstanding individual performances thus far have been by Captain Harold Haynam, who has run the 120 yard high hurdles in 17.7 seconds; Larry Simms, who has run the 180 yard low hurdles in 21.7 seconds; Dave Simms who has thrown the shotput 42'6 $\frac{1}{4}$ "; and Jim Donaldson, who has run the 880 yard run in 2:09.4, and the mile in 4:44.4. These achievements are all new school records. Jim Donaldson also has set the track record in the mile run at 4:57.0.

Coach Ed Stevens has done an excellent job in elevating track to its proper position. With only one senior letterman graduating, the future of Minerva's track team looks very promising.

And there's a new kind of bearing in today's power cars. It's the latest step in Timken bearing engineers' drawing board to drawing board partnership with the auto industry. It's a smaller, lighter bearing to cut unsprung weight. A more uniformly precise bearing to cut warranty costs. Capacity packed to take the heavier loads of today's luxury cars. These bearings are made of the finest bearing quality alloy steel available. And we know steel. We've been in the steel business for 45 years. In fact, we've developed and manufactured steel for the transmissions and other vital parts in many of today's cars.
